GRADING & ACADEMIC HONORS

Grading System

Academic standing and eligibility for graduation are determined by both the number of courses completed and the grades achieved. The system used at Barnard is as follows:

<table>
<thead>
<tr>
<th>Grade</th>
<th>Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>A+</td>
<td>Excellent</td>
</tr>
<tr>
<td>A, A-</td>
<td>Good</td>
</tr>
<tr>
<td>B+, B, B-</td>
<td>Satisfactory</td>
</tr>
<tr>
<td>C+, C</td>
<td>Unsatisfactory but passing</td>
</tr>
<tr>
<td>C, D</td>
<td>Failure</td>
</tr>
<tr>
<td>P</td>
<td>Passed without a specific grade on student's election of P/D/F option</td>
</tr>
<tr>
<td>P+</td>
<td>Passed in a course for which only a grade of P or F is allowed</td>
</tr>
<tr>
<td>I</td>
<td>Incomplete</td>
</tr>
<tr>
<td>X</td>
<td>Absence from final examination</td>
</tr>
<tr>
<td>Y</td>
<td>For the first half of a two-semester course in which the grade for the second semester is the grade for the entire course</td>
</tr>
<tr>
<td>W</td>
<td>Approved withdrawal after &quot;drop&quot; deadline</td>
</tr>
<tr>
<td>UW</td>
<td>Withdrawal from a course without official notification to Registrar</td>
</tr>
</tbody>
</table>

Pass/Fail grades are recorded for all students in certain courses, e.g., physical education. Pass/Fail grades for individual students are subject to regulations described below.

In the computation of grade point averages, marks for courses are calculated in the Barnard grade point average.

Grading & Academic Honors

A student may elect the Pass/D/Fail option by submitting a Request for Pass/D/Fail online, via myBarnard, before the absolutely firm deadline published in the College Calendar. Under the Pass/D/Fail option the student is held responsible for fulfilling all course requirements. A grade of D or F is not converted. A student cannot elect the Pass/D/Fail option after the deadline and cannot revoke it after the deadline, but a student can request that a P grade be uncovered (see below). The complete rules and instructions are available on myBarnard and on the Registrar's Office website.

Some courses record Pass/Fail grades for all students enrolled, e.g., Physical Education classes. Of the 122 points required for the degree, a maximum of 23 points of course work may receive a grade of Pass. Mandated grades of P* (e.g., for Physical Education) are not included in the 23-point total; students may elect the Pass/D/Fail option in 23 points over and above mandated P grades. (For transfers, the maximum is 22 points.) The P/D/F option cannot be elected for First-Year English or First-Year Seminar or any course designated to count toward the major or the minor.

No limitation is placed on the number of Pass grades that may be recorded in a single term, except those rules that apply to Dean's List, to eligibility for financial aid, and to the overall 23-point maximum.

Grades of P are not included in the grade point average. Grades of D or F, whether or not received under the Pass/D/Fail option, are computed. If the total number of points excluded from calculation in the grade point average exceeds 34, a sliding scale requiring higher qualifying averages is used to determine eligibility for general honors at graduation. (Like courses graded Pass, points credited for AP and baccalaureates are not calculated in the Barnard grade point average.)

The request for a course to be graded under the Pass/D/Fail option is irreversible. No request will be honored after the deadline. No request filed before the deadline can be reversed after the deadline. However, students may uncover their grades in any course that they initially elect to take P/D/F; they must request the uncovering no later than the registration deadline of the semester following the one in which the P/D/F course was taken (i.e., the second Friday of the following semester). Caveats: Graduating seniors cannot uncover P/D/F grades in their final semester. (If a graduating senior elected P/D/F in a course that is required for the major, the Registrar’s Office will uncover the grade the month before graduation, but the student cannot uncover any P/D/F grades for her final semester.) The 23-point cap is a cap on points the student elected to take P/D/F. Even if a student has chosen to uncover grades for some of those points, the student still cannot elect P/D/F in more than 23 points (or 22 for transfers). For 10 of them, she can elect only 8 more points P/D/F, even though she has only 5 grades of P on her record. Note: The uncovering policy takes effect in fall 2016, for courses elected P/D/F in that semester. It is not retroactive to earlier semesters.

Incompletes

A student may, for compelling reasons, request from her instructor an Incomplete by means of written approval on forms available at the Office of the Registrar. The deadline for filing the Application for Incomplete is the last day of the reading period. However, in a course without a final
examination, the deadline is the day before the final paper is due if that
date precedes the last day of the reading period.

There are two Incomplete options. The "Early Incomplete" option requires
submission of unfinished work to the Registrar and instructor soon
after the end of the term by the date designated in the College Calendar
and results in the removal of the "I" notation from the transcript. The
second option extends the deadline to the first day of classes for the next
Autumn term, but the "I" notation remains on the permanent transcript
and is joined by the final letter grade. The full regulations that apply to
Incompletes are listed on the Application for Incomplete form available
at the Office of the Registrar. A student must have the permission of
her instructor to qualify for an Incomplete, and she is required to use
the form, which is a written guarantee of the terms set forth in it by the
instructor.

Transcripts

Students can view their grades and unofficial transcripts in the
myBarnard portal. Following graduation, a student copy of the transcript
is sent to each student at their home address (an unofficial transcript for
which there is no charge).

All copies of official transcripts are sent only at the request of the student
in compliance with FERPA, and are subject to the $7 fee and five business
day turnaround time. Transcripts can be sent by FedEx or Express Mail
for an additional fee. Transcripts can be sent in paper or secure pdf
format. Students and alumnae can request transcripts here (https://
tsorder.studentclearinghouse.org/school/fccode/00270800/). Barnard
cannot send copies of transcripts from other schools that the student
attended; they must be requested directly from the other institution.

Dean's List

Effective fall 2013: To be eligible for Dean's List, a student must be
enrolled at Barnard, on Morningside Heights (or on a Columbia program
abroad) and complete at least 12 letter-graded points with a minimum
grade point average of 3.60 for the term. (P-graded points are excluded.)
The grade point average will be based on all letter grades in the A to F
range.

Prior to fall 2013: To be eligible for Dean's List, a student must be enrolled
at Barnard for both terms and complete at least 12 letter-graded points
each term of an academic year with a minimum grade point average of
3.4 for the academic year. (P-graded points are excluded.) The grade point
average will be based on all letter grades in the A to F range.

College Honors

The Faculty awards honors to students who complete work for the
degree with distinction (cum laude), with high distinction (magna cum
laude), and with highest distinction (summa cum laude). Students whose
records include study at other institutions (transfer, summer school,
study leave) will be eligible for Latin honors if both the overall and the
Barnard grade point average meet the designated requirements. If the
total number of points for courses graded P and P*, and for transfer
grades that do not have Barnard equivalents, exceeds 34 of the 122
points for the degree (121 for students who enter as transfers), the
qualifying averages are computed on a sliding scale.

The values determining Latin Honors will change each year.

A student with a final cumulative grade point average matching or
exceeding the cutoff average for the top 5% of graduates of the last three
years will be awarded the degree summa cum laude.

A student with a final cumulative grade point average matching or
exceeding the cutoff average for the top 10% of graduates (and below the
cutoff average for the top 5% of graduates) of the last three years will be
awarded the degree magna cum laude.

A student with a final cumulative grade point average matching or
exceeding the cutoff average for the top 20% of graduates (and below the
cutoff average for the top 10% of graduates) of the last three years will be
awarded the degree cum laude.

The averages for these three groups of graduates in the three academic
years 2016-2017 through 2018-2019 were, in descending order, 3.97, 3.88,
and 3.74. Accordingly, these minimum values govern the awarding of the
corresponding honors in 2019-2020. Latin honors appear on both the
transcript and the diploma.

Departmental honors are awarded for distinguished work in the
major to no more than 20% of graduates, as nominated by their major
departments, and conferred by the Committee on Honors. Departmental
honors display on student transcripts but not diplomas.

Phi Beta Kappa

The Barnard section of the Columbia University chapter of Phi Beta
Kappa was founded in 1901. Election to the national honor society is
a recognition of scholarship, and Barnard students of exceptionally
high standing are eligible. Junior election will require a minimum of 86
completed points, and senior election, 102. Students do not apply for
membership; they are elected by Barnard faculty members who are
themselves members of Phi Beta Kappa.

Eligibility for Student Government Offices

To be a candidate for election to a student government office, a student
must be in good academic standing and free of disciplinary action for at
least one year.

Eligibility for Intercollegiate Athletics

Any student at Barnard College, Columbia College, the Fu Foundation
School of Engineering and Applied Science, or the School of General
Studies who is pursuing the undergraduate program or a combined
program toward a first degree is eligible for intercollegiate athletics,
provided that certain conditions are met. To be eligible for athletic
activities, a student must:

- be a candidate for a bachelor's degree;
- be registered for at least 12 points of credit per semester;
- be in satisfactory academic standing;
- have passed by the beginning of the academic year 24 points if in the
  second year, 52 points if in the third year, or 86 points if in the fourth
  year;
- have attended the University for not more than eight terms;
- not have completed the requirements for a bachelor's degree.

An eligibility form must be filed with the Department of Intercollegiate
Athletics, which consults with the Registrar to determine eligibility.
