REQUIREMENTS FOR TRANSFER STUDENTS

A student admitted to Barnard with fewer than 24 points of credit is
considered a first-year student and is subject to all requirements for
first-year students, including First-Year Seminar. A student admitted
with 24 credits or more is considered a transfer student. To receive the
A.B. degree at Barnard, a transfer student must be enrolled at Barnard
(Morningside Heights, Reid Hall, Kyoto, Beijing, or the Berlin Consortium)
for at least four full-time regular academic terms during which she
must complete at least 60 points, including at least six courses in the
major field (and three in the minor field, if a minor is elected). Additional
major (and minor) courses, as well as general education requirements,
may be satisfied by transfer courses. Transfer students are eligible for
Latin honors when both overall and Barnard averages meet the required
academic standards.

Transfer Credit

Courses completed at other accredited colleges and universities which
are similar in content and depth to Barnard courses may be submitted for
transfer credit. Transfer courses are evaluated after a complete official
transcript is received in the Office of the Registrar (http://barnard.edu/
registrar/). Students are asked to submit course descriptions with their
requests for transfer credit to the Admissions Office.

Credit for approved work at another institution is applied to Barnard's
graduation requirement with a maximum of 61 total credits (60 academic
credits plus 1 credit for Physical Education) and a maximum of 16 points
per term. The 61-credit maximum applies to a student's entire academic
record at Barnard, including any credit from AP, IB or other select national
examinations and diplomas; any credits transferred in from prior to
Barnard; and any credits from study abroad, study leave, or summer
courses taken while at Barnard.

Credit is not granted for courses with grades lower than C minus.
Acceptable transfer work does not usually include applied or professional
courses or more than the equivalent of two Barnard studio courses. The
first term of an elementary language course is not normally credited
unless or until the second term or a more advanced course has been
satisfactorily completed, but a student may request a single exception to
this policy.

Transfer students entering with 24 or more points must complete 121
points for the Barnard degree, and 1 of those points is for PE. Only 1
point from PE will be used toward the 121 points required for the degree.
Students will not receive credit for any additional PE classes. Once a
student has received 1 point for PE, they may receive credit for additional
dance technique courses, but they may not receive credit for any further
PE courses. (Transfer students who entered before Fall 2013 must
complete 120 points and do not receive credit for Physical Education.)

Transfer students may apply for credit for previous summer courses
under the regulations governing summer study. There is a 16-credit
maximum for summer coursework, including summer courses taken both
prior to and during a student's matriculation at Barnard

First-year students with a record of prior course work taken as non-
matriculants at an accredited college in the United States may request up
to 15 points of transfer credit (the courses must be intended primarily for
college students and taught at the college by members of its faculty, and
must be in excess of the courses required for the high school diploma).

Such work will be evaluated after the student has completed 12 points at
Barnard.

Grades for course work transferred from other institutions are not
included in a student's Barnard's GPA, but they are included when
determining Latin honors eligibility at the time of graduation.
