

STUDENT EXPERIENCE AND ENGAGEMENT

The mission of the Department of Student Experience and Engagement (SEE) is to create accessible, dynamic, thought-provoking co-curricular opportunities for and in partnership with Barnard students to explore purposeful involvement, self-discovery, and the development of meaningful relationships with their peers and the greater Barnard community. As an integral part of the student experience, SEE aims to connect students not only to resources available within the Department but all resources available at both Barnard and Columbia. Students who engage with SEE will strengthen their leadership skills to transform themselves, Barnard, and their communities both now and in the future.
